OUR SERVICES

You have made the decision to begin to look at your substance misuse.

To help make some changes now which could really help to protect your long term health, we offer harm reduction services.

These include:

- Blood Born Virus screening, immunisation and support
- Needle exchange
- Safer injecting information and support
- Foil to smoke instead of injecting
- Safer injecting paraphernalia
- One hit kit packs
- Needle bins
- Condoms.

If you would like more information about our services please talk to a member of staff
